LTR Dressage is proud to present a clinic with
Betsy Steiner
March 28-30

In the years since her first Grand Prix at the age of 20, Betsy has enjoyed success at the highest levels for more than three decades. A USDF Bronze, Silver and Gold medalist, one of the highlights of Betsy's illustrious career was when she represented the US at the World Equestrian Games in Stockholm, Sweden in 1990 aboard her own wonderful Dutch Warmblood, Unanimous. From May 2001 - June 2002, Betsy enjoyed a partnership with the lovely and elegant Rainer and were top contenders at the trials for the 2002 World Equestrian Games.

Betsy's endless desire to improve her own riding as well as her student's through cross-training has led her to the development of **EQUILATES™** -- a sport-specific Pilates-based exercise and body awareness program for the equestrian. This program is valuable to all equestrian athletes and has been implemented in several college and university curriculums.
